

SCV Magic GU99 (Salvadori) is currently looking for 2-3 players to add to the current roster for the remaining 2012-2013 season. The plan would be to carry these new players into the GU14 2013-2014 soccer season.

SCV Magic GU99 (Salvadori) is seriously considering moving to the SCDSL Tier 1 for the 2013 Fall soccer season. Many goals were accomplished in Tier 2 for the 2012 soccer season. The Magic girls want to take it to another level of play in the fall to prepare them for more competitive soccer tournaments and high school season.

If your daughter is competitive, wants to take her skills to another level, loves the game of soccer and play with girls who have the same goals & passion; Sergio encourages you to call or email him.
